

## History of the Division of Cooperative Program Funds Between all State Conventions and the SBC

Since 1930*	\$ 14,312,490,467	\$ 9,096,037,574	\$ 5,216,452,893	63.55%	36.45%

\*Note: The Cooperative Program began in 1925, but early reports of distribution are out of line with successive years, and therefore are not included above. All of the figures on this page only reflect finds forwarded through traditional CP channels (ie. to the state convention first, then on to the SBC)
